

*Napping in the car is fine. Living in the car is not.*

Dear Friend,

Every day, here in the Nashua area, families struggle to find a safe place to raise their children. These families are working. They are paying their taxes. They are our neighbors. Their children learn and play in classrooms with our children. But, they are homeless. They need you. We need you.

Through safe housing and education, Family Promise of Greater Nashua guides families as they rise from homelessness to sustainable independence. We support families of all types, including single-fathers, two-parent families, and veteran families that do not qualify for other programs. We change the future for these families every day. 85% of our graduate families never experience a housing crisis again.

**You can make a family safe, not just for tonight, but for always.**

For the last 11 years, Family Promise of Greater Nashua at Anne Marie House has held a critical fundraising effort, the HomeStretch 5K. Support of our local business community is vital to the success of this event. With your help, we can *End Homelessness...One Family at a Time.*

Please consider helping us to make this year's event the most successful yet. Sponsorship comes in many forms and can include donating branded items to our runner bags, donating a raffle item, or providing a financial sponsorship. All donations are tax deductible as we are a registered 501(c)3 organization. We look forward to working with your business and partnering with you to help save local families.

Sincerely,

Pamela T. Small  
Executive Director

HomeStretch 5K is a proud member of the Gate City Series.
